

Faithful is he that calleth you, who also will do it.

Hello to all. Thank you very much for your prayers. I told my wife just the other day, "I think someone is praying for me" because the Lord was helping me with something very specific in my life. Thank you to all who reach out to us and let us know that you're praying for us. That is a great encouragement to us. We cannot do what we do without your support.

This past month has been more of the same. Preaching, teaching, evangelizing and discipleship through our local Church Bible Institute. What a pleasure to see the people devouring their Bibles. Please continue to pray that the people in the Church would grow, that the Lord would use us to prepare more laborers for His harvest field.

With a team of approximately 25 people we are distributing approximately 2,000 John and Romans booklets each week here. This coming Sunday we will for the first time begin assembling John and Romans at the Church building. It's exciting to see the steady progress here.

We do have a specific prayer request, we have been given the finances to repair the 15 passenger green van however the process has become very convoluted. Please pray that the Lord will help us get the van repaired and if it be His will that it will be repaired soon.

Also if you will please continue to pray for our safety. A little over a week ago while we were distributing John and Romans a man approached me and told me that it was not safe for us to be in that neighborhood with our little girls. He told me to go back to the centro. I have reminded myself many times since then that the Bible says "safety is of the Lord." Please pray for our safety. God bless you and keep up the great work right where you are.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
